The Dog Days of Summer are here! Despite the heat though, the days have been great!

Last month, we mentioned some of the awesome changes happening around the community. Since then, we've added the first half of our new communal area furniture, including new patio tables, chairs, and umbrellas, as well as living room and sitting area sofas, chairs and tables. We are anticipating the rest to arrive in the next couple of weeks! The team has been working extremely hard to assemble and arrange the beautiful new pieces for everyone to enjoy, and so far, our residents seem really happy!

In addition to the new furnishings in and out of all of our buildings, we are currently undergoing new common area painting in the Oakwood and Birchwood buildings. We are all so excited to see it finished, as it is beginning to look so great!

We hope that you are able to visit us soon, and experience all of the gorgeous updates, maybe even utilizing the new patio and picnic areas on the grounds, on one of these beautiful days! We may even leave you a couple of cherry tomatoes in the garden!

Happy Birthday!

Serving Heart of the Month

Betsy Rybacki, Health Services

The Forestview Manor Activities Department recently received donations in loving memory of William Cott, and Mary Jane "Midge" Jackson. So far, we have applied some of these funds toward outings for residents, that we know Mr. Cott and Ms. Jackson would have loved. We are working with the residents to plan how to apply the remaining donations in the most fitting ways. We sincerely thank the families for their thoughtful donations!

Residents and Staff of Forestview Manor are pleased to invite our Friends, Families and Community to attend our
